**Letterhead Statement Required for Tran-shipment of Meat or Poultry
Through Germany to a Non-EU Country**

Date Issued _____ **Certificate Number** _____

I certify that:

☐ Meat Products

"The animals originated from a premise with no incidence of Foot and Mouth Disease, swine vesicular disease, hog cholera, or Teschen disease, if applicable, within a circumference of 20 km during the previous 40 days. The animals were slaughtered in a slaughterhouse where on the day of slaughter no cases of Foot and Mouth Disease, swine vesicular disease, hog cholera, or Teschen disease (if applicable) were reported; and Ante- and post-mortem examinations were carried out and animals were found free of Foot and Mouth Disease, swine vesicular disease, hog cholera, or Teschen disease (if applicable)."

☐ Poultry Products

"Poultry were produced on a premises in a State that is classified under a National program as a "U.S.Pullorum - Typhoid Clean State" and were produced for a firm participating in a national testing program for the control of Mycoplasma gallisepticum, M. synoviae, and [in the case of turkeys], M. meleagridis. There have been no cases of pestis avium (highly pathogenic avian influenza) or cholera gallinarum (Salmonella gallinarum) or velogenic viscerotrophic Newcastle disease on the farm of origin or in the immediate area during the past 40 days."
